Part No	Description
8-030-001-00 3 ph 380-415V 50Hz	Econocut 300 BM Bench Top Cutting Machine Standard Specification: Cutting Head with 4HP/3kW brake motor
8-030-002-00 3 ph 220V 60Hz	Wheel Dia up to 300mm /12in, with 32mm hole
8-030-003-00 3 ph 460V 60Hz	Manual raise/lower Lever T-slot work table RH & LH Quick Action Vices 63mm / 2 ½ in jaw capacity External Coolant Tank and Circulation System. Canopy with front & side viewing windows and interlock
8-030-005-00 3 ph 380-415V 50Hz	Econocut 300 FM Floor Standing Cutting Machine Standard Specification :
8-030-006-003 3 ph 220V 60Hz	Specification as above but with Base Cabinet
8-030-007-00 3 ph 460V 60Hz	containing Coolant Tank & Pump.
<u>Attachments</u>	
8-030-002-00	Stainless steel tray wheel guard etc
8-030-003-00	Advanced design Fixture for 1 1/2inch diameter and 2 inch cores as pictured on next page
8-030-004-00	250mm Metal Bonded Diamond Wheel
